PROJECTS

Sneakers.in

Sneakers.in is an e-commerce website developed using HTML, CSS, and JavaScript. It is designed to provide users with an immersive online shopping experience, offering a wide range of products from various categories. This project showcases the development of a responsive, user-friendly, and visually appealing e-commerce platform.

Tic Tac Toe

The Tic Tac Toe game is a classic two-player game where the players take turns to mark a 3x3 grid with their respective symbols (usually "X" and "O") to create a horizontal, vertical, or diagonal line of their symbols. The objective of the game is to be the first player to achieve this goal.
